Q. How will you pay for the services provided?

A fee may be charged for our services. This may be waived or partially offset by brokerage, commission or fees if you proceed. Upon implementation of the recommendations, our Authorised Representative may receive an upfront fee, commission (for risk insurance products) or a combination of both depending on

how you agree to pay for the services. Fees can be based on total funds placed, the time spent on the services you receive, or as agreed between you and our Authorised Representative. Costs and remuneration will be disclosed in your Statement of Advice.

All fees and commissions are paid to Synchron, which deducts a fee for the services it provides as the licensee and then pays the balance to your adviser subject to any agreements. Some of our Authorised Representatives have referral arrangements with other professionals. Where a referral agreement is in place between the Authorised Representative and a third party, a fee may be paid or received. Detailed disclosure of amounts and percentages will appear in your Statement of Advice if applicable.

A review service fee may also be payable from time to time, depending on any extra work required such as a major restructuring. Further details are provided in the Adviser Profile section.

Life Insurance advice

If you decide to purchase a life insurance product, unless stated to the contrary in your Statement of Advice, Synchron has elected to receive commission from the product providers and not invoice you directly for services provided. Please refer to the "Adviser Profile" section of this FSG for further details. If you do not continue with a purchased life insurance product for a full 24 months, the commission received by Synchron is returned to the insurance company, and you may then be invoiced for this amount.

Investments and Superannuation advice

If you decide to proceed on the investment or superannuation advice provided, the fee you may be charged may be dollar based or may be calculated as a percentage of the amounts invested. The fee may also be reflective of an hourly rate. For details, please refer to the enclosed Adviser Profile section.
